

BVKey | 29 July 2024 | Issue 7 (24)

BVKey is BVIUK's monthly e-zine, delivering news on business valuation events and opportunities in the UK and beyond. We trust you find these updates valuable and encourage you to share them with your colleagues, who can subscribe to receive their own copy [here](#).

Editor's Note

The seemingly inevitable has finally been confirmed. The 4th July election produced a landslide Labour victory and installed Keir Starmer as Prime Minister. The government has its hands full to right an economy still reeling from Brexit and the COVID pandemic. Now that Britain has emerged from recession, some signs give cause for broader optimism for improvement in the nation's economy.
