Business Valuation Institute UK

Reach the valuation profession with corporate membership

Collaborating with us elevates your company's visibility and influence within the industry, amplifies your prospects for long-term networking and sales growth, and empowers you to maintain a leading edge over competitors.

Unlocking the benefits of corporate membership empowers your organisation in several pivotal ways:

Elevate your corporate presence within the profession

By joining as a corporate member, your organisation showcases its unwavering dedication to professional excellence. This, in turn, fortifies your corporate image among clients and stakeholders, reinforcing your industry stature.

Connect with key decision-makers

If your organisational strategy focuses on engaging with influential decision-makers in the profession, corporate membership offers an invaluable avenue for networking, promotion, and brand association, facilitating strategic partnerships and business growth opportunities.

Access exclusive opportunities

Corporate membership opens doors to an array of exclusive privileges tailored to elevate your organisation's visibility and reach. Enjoy the privilege of prominently displaying the Corporate Member logo, along with inclusion in our esteemed Corporate Members Directory. Leverage the opportunity to feature your company news items in BVIUK Monthly Newsletter, amplifying your message to a wider audience and maximising your impact.

Exclusive opportunities

Utilise the BVIUK corporate member logo throughout your organisation, prominently showcasing your steadfast commitment to the profession.

Share your news items with the BVIUK regular monthly e-newsletter, providing a platform to amplify your company's achievements and initiatives.

Feature your company and showcase impactful case studies on the prestigious corporate members directory, enhancing your visibility and credibility within the industry.

Join our community

Elevate your organisation's prestige with our exclusive corporate membership packages.

Tailored to suit your leadership objectives, choose the package that best aligns with your strategic vision.

Explore our packages designed to empower your executive team's journey to success.

SMALL ENTERPRISE

This package is for organisations with less than 50 employees. Each of our listed benefits are included. This package includes BVIUK Professional Memberships for five nominee employees.

LARGE ENTERPRISE

This package is for organisations with 50 or more employees. Each of our listed benefits are included in this offering. This package includes BVIUK Professional Membership for ten nominee employees.

Additional nominees

With both packages you can add additional nominees in excess to your normal allocation.

To discover package prices contact us at resources@bviuk.com

INVEST IN YOUR EMPLOYEES

If you aim to elevate company profits by investing in your employees' professional development, you may consider enrolling them in the BVIUK Credentialing Course.

To find out more, contact resources@bviuk.com

or visit bviuk.com/credentialing

BV virtual training and flexible learning

Invest in your people with global experts-led virtual classes with BV Academy.

Enhance your employees' valuation skills with our virtual classes led by global experts. BV Academy lectures are complimentary for employees nominated as BVIUK professional members.

To view the upcoming schedule, please visit bviuk.com/bvacademy.

Our classes accommodate your employees' schedules. If they are unable to attend live sessions, they can watch the recordings later at work or home.

Our expert tutors also offer face-to-face classes on your organisation's premises, customised to address your specific needs.

For further details on this exclusive opportunity, contact us at resources@bviuk.com.

The Business Valuation Institute UK (BVIUK) is the premier educational organisation for business valuation professionals, students, and enthusiasts, dedicated to championing excellence within the global BV community.

Our mission is to empower and equip business valuation professionals to realise their full potential and cultivate rewarding, impactful careers. We achieve this by creating a collaborative environment that facilitates expert networking, leading-edge insights, sharing best practices, and continually assisting our members in their professional development.

As the pioneering educational body for business valuation in the UK, our vision extends beyond the present to shape the future of the profession.

We aspire to be the trusted organisation representing a distinctive profession, renowned for its capacity to elevate professional standards within organisations and practices, transcending the boundaries of the built environment.

Founded in 2023, BVIUK takes pride in its distinction as the UK's first educational institution exclusively dedicated to the field of business valuation.
